

Spend less, get more with Managed Print Services

What if you could...

- lower your cost-per-page printed?
- free up time for IT, Purchasing and Accounting?
- lock in the price of Original HP toner up to 60 months?

BMP Services

North Carolina's leader in Managed Print Services.

Family owned and operated. We treat customers like family.

Providing 'white-glove service' to clients for over 25 years.

Automated shipping and one monthly invoice.

Lower Your Printing Costs

Proven lower price for each page printed on your HP devices.

Receive Original HP toner that offers unmatched reliability and quality.

Service includes repairs and maintenance for HP and non-HP printers.

Employee time not wasted on reordering and stocking toner.

Be Green!

BMP Print Solutions and HP are committed to sustainable practices. BMP picks up your used cartridges and recycles them. Original HP cartridges are made with recycled bottles and hangers.

"BMP helps me with one monthly invoice, cost savings and fleet management. Repairs are done quickly and professionally."

- Ted Manuel, Alex Lee Data Center Manager
